Duties of the role	Description
Chair Ministry	Assisting with chair placement in the various tents
Activity assistant	Providing assistance with activities in the Main Tent or during Activity Time.
Crowd Control	Helping guide or direct traffic (in person or vehicles) ensuring that proper safety is maintained.
Coffee or Drink assistant	Some roles at camp are very demanding and leave little time for individuals to stay hydrated. At key points during the day we may arrange a coffee or drink walk through where orders will be collected from the Camp Shop and delivered to key individuals.
Main Tent Responses	Every Main Tent session will have an element of response for SYC campers. Whatever this response looks like, there is typically a team of volunteers helping ensure this is a smooth experience for all.
Set up/Pack down	There is a lot of equipment bumped into State Youth Camp and this all needs to be set up and packed down outside of the main camp weekend. This can include hanging fairy lights, running power cables, erecting tents, hanging decorations and so much more.
