

SYC Tech Team Volunteer Role Description

Job title: Tech Team Volunteer

Reporting to: Tech Team Leader

Hours: Arrival is by 10am the Friday of SYC but preferably the Thursday before camp as the AV contractor sets up. Departure is from 12pm the Monday of SYC once the AV equipment is ready to hand back to the contractor. Key moments on camp are during the six Main Tent teaching sessions and two breakout workshop sessions. There will be times when you will volunteer in the team and other times you will get a break.

Location: Main Tent and Workshop Spaces

About the Role: The purpose of volunteering for the Tech Team is to use your technical giftings to help facilitate the Main Tent and Workshop Sessions. Please note that as leaders given clear visibility at State Youth Camp there is a high level of expectation towards behaviour and attitudes displayed whilst at camp. At times the Tech Team is also called on to assist in other functions that occur within the Main Tent e.g. chair ministry or rubbish collection.

Key Responsibilities

SYC Tech Team Volunteer Role Description

Duties of the role	Time spent	Description
Use skills in either ProPresenter, Sound and/or Lighting to enhance the Main Tent Sessions	60%	A key part of being on the Tech Team is to ensure the required AV elements are ready for the Main Tent Sessions and during Sound Check.
Set-up, maintain and Pack-down other AV equipment around the SYC site including the Village and Workshop Spaces	20%	There is a number of spaces that also use AV and these need to be maintained throughout camp as well.
Work collaboratively with all aspects of the Main Tent.	10%	A key part of being on Team is being willing to set aside differences and collaborate well with other volunteers, specifically the SYC Band, Speakers, Main Tent Leader and Response Volunteers. This will occur prior to camp as well as on camp.

SYC Tech Team Volunteer Role Description

Duties of the role	Time spent	Description
Following the direction of key Main Tent leaders.	5%	Though the Tech Team has it's own leadership structure, it is really important to note that all activities within the Main Tent fall under the authority of the Main Tent Leader. This person is able to make key decisions regarding changes to the Main Tent program and all things within the Main Tent. It is crucial to have an awareness of who they are and a willingness to follow where they lead.
Main Tent Functions	5%	Assist with main tent cleaning or chair ministry.

Work experience and skills

A volunteer in the Tech Team needs to be proficient in one or more of the following – ProPresenter, Lighting and/or Sound.
